# The California Citrograph

## INDEX TO VOL. VI—November, 1920, to October, 1921, Inclusive

A

Acidity of Grapefruit, No Danger of....357
Acreage Fruit Growing, L. A. County....398
Advertising as Stimulus in Marketing California Fruits, H. J. Eustace.... 86
Agricultural States Have Greatest Number of Autos....285
Alfalfa, Chopped, as Fertilizer on Chase Orchards, George Rix....407
Alfalfa Growers Make Citrus Man Manager....187
Alfalfa, Used as Fertilizer....227
Anaheim O. & L. Ass'n Shipments Increase 60 Per Cent.... 96
Ancient Bed of Decomposed Marine Shells Utilized....169
Annual Report, Fruit Growers Supply Co. 45
Annual Report of Pasadena Orange Growers Ass'n.... 87
Aphycus, Parasite for Control of Black Scale.... 98
Argentine Ant, Getting Rid of....154
Arlington Heights Grove Experiment, R. S. Vaile.... 44
Armitage, H. M., Applied Biological Control with Reference to Black Scale Work in Southern California....372
Growing the New Black Scale Parasite..143
Practical Methods of Liberating the Black Scale Parasite....272
Arundel, S. J., Foreign Markets on Pacific Surveyed.... 5
Asks Information from Lemon Packing Association....285
At Home with the Citrus Grower, Peggy Jeans....32, 68, 100, 132, 188, 224, 264, 300, 332, 364, 396, 428
Attractive Houses for Employes, G. B. Hodgkin....248
August Subsoiling Given Credit by Northern Grower....169
Australian Inspects Orange Groves and Packing Houses....291
Australians Use Wasp for Scale Parasite 56
Autos, Agricultural States Have Greatest number....285
Avocado, Girdling of, J. Eliot Coit....416
Avocado Association Holds Field Day at Puente....385
Annual Meeting of....257
To Hold Its First Field Day....353
Growers Consider Marketing Problem..111
In Florida—Injurious Insects of, G. F. Moznette....152
Hold Big Fall Meeting in Pasadena.... 88
Proceeds to Make Marketing Plans....327
Men Take Up Marketing Problem....288
Recipes.... 87
Awarded Prizes for Merit of Fruit Displayed at Orange Show....160

B

Barnes, A. C., Notes on Furrow System of Applying Manure....405
Barnes, A. E., Probable Future Supply of Organic Fertilizers.... 94
Bettering the Citrus Pest Control Situation, R. S. Woglum....150
Biological Control Black Scale, H. J. Ryan....374
Biological Control of Scale, H. Compere..197
Black Fly, Citrus....179
Black Pit and Citrus Blast, H. S. Fawcett, W. T. Horne and A. F. Camp....234
Black Scale, Aphycus Parasite for.... 98
and Relation to Biological Control, Harold Compere....197
Biological Control of, Harry S. Smith..108
Conditions in Los Angeles County Orchards in 1921, H. J. Ryan....374
In Chula Vista—Observations on Control of, Eugene L. Prizer....244
Parasite at Work—Horticultural Commissioners See.... 87
Parasite—Growing the New, H. M. Armitage....143
To Be Supplied from Limoneira....191
Practical Methods of Liberating, H. M. Armitage....272
Work in So. California, Applied Biological Control with Reference to, H. M. Armitage....372
Blast, Citrus and Black Pit, H. S. Fawcett, W. T. Horne and A. F. Camp....234
Blossom End Decay Discussed....122
Blossom End Decay, of Lemon, Segregation of, F. L. Williams....126
Blue Mold Decay in Transit—Need of Care to Prevent, H. J. Ramsey....170
Bradford, A. S., Sketch of....381
Branch Library for Employees....265
Brown Rot—Field Manager Ramsey on Spraying for....104
Brown Rot, Precautions Against, H. J. Ramsey.... 54
Bud Selection in New Zealand, A. D. Shamel....388
Bud Selection, Economic Importance of....385
Bulletin on Citrus Black Fly, Discovered by R. S. Woglum....179
Bungalow Courts Being Provided by Covina Orange Growers Ass'n.... 28
Burger, O. F., Decay in Citrus Fruits During Transportation.... 88

C

California Citrus Institute, San Bernardino....164, 206
California Citrus League Organizes for Active Year.... 96
Delegation Asks for 3-Cent Lemon Duty....290
Valencia Show Held at Anaheim May 17-22....246
Carpenter, Ford A., Is Your Thermometer Correct?.... 7
Cause of Wastage in Export of Citrus Fruit....373
Chalcid Wasp Parasite for Scale Eradicates in Australia.... 56
Chapman, C. C., Fullerton, Sketch of....205
Chase, Edgar Allen, Sketch of.... 89
Chemistry Bulletin Issued by State Dept. of Agriculture....258
China, Market for Citrus Fruits....161
Citric Acid from Lemons—Manufacture of, C. P. Wilson....110
and Tariff Discussed—Sales Contract for....156
Citrus Black Fly, Bulletin on....179
Citrus Blast and Black Pit, H. S. Fawcett, W. T. Horne and A. F. Camp....234
By-products Laboratory Changes Name..316
Crop Estimate....122
Citrus Fruits, Cost of Production, F. U. Wallschaeger....341
Increasing Consumption of, Don Francisco....208
Transportation of....386
Growers Income Tax for 1920, C. C. Hogan....108
Institute Directors Organize for Year....259
Institute and School of Fumigation....319
Citrus Institute, San Bernardino....164, 206
and School of Fumigation and Pest Control....340
Live Practical Subjects for Discussion at....164
Valuable Practical Experiences Presented at....206
Citrus League, Cal., Organizes for Year.. 96
Methods Used in California—South African's Views on, Sir Percy Fitzpatrick, Part I, 46; Part II.... 78
Orchard Economy, A Large Question, Henry Damerel....343
Shippers Request Inspection Service.... 56
Citrus Thrips, Combatting of....290
Citrus Tree, That, I. J. Frazee....259
Citrus Trees, Top Working of, A. D. Shamel....109
Citrus Trees, Top Working of, C. E. Coit..235
Citrus Varieties, Improvement of, A. D. Shamel....141, 199
Claremont Pomological Club Celebrates 25th Anniversary....274
Coachella Valley Grapefruit, A. D. Shamel..242
Coit, J. E., Top Working Citrus Trees....235
Girdling of Avocado Trees....416
Communications, For and Against Bark Slitting of Citrus Trees....215
Comparative Cost of Tractor and Team Orchard Work, C. A. Griffith....210
Compere, Harold, Seasonal History of Black Scale and Relation to Biological Control....197
Conservation of Water, W. S. Jones.... 4
Consumption of Citrus Fruits—Increasing the, Don Francisco....208
Control of Scale by Insect Enemies—Progress Being Made in.... 26
Of Red Spider, R. S. Wolgum....273
Cook, Dr. A. J., Tribute to, C. O. Teague..282
Co-operative Contract with Growers Upheld.... 61
Co-operation in Agriculture—Fundamental Principles of, G. Harold Powell.... 47
Co-operative Improvement of Citrus Varieties, A. D. Shamel....141, 199
Use of Tractors on Small Citrus Holdings, John A. Dennis....235
Cost of Production of Citrus Fruits Since 1910—Changes in, F. O. Wallschlaeger..341
Costs, Reduction of, Growers Discuss....247
Cost of Tractor and Team Work, Comparison of, C. A. Griffith....210
Costume Winning First Prize at Colorado Springs Carnival.... 25
Court Holds Seller of Nursery Stock Responsible....169
Court Upholds Growers Contract.... 61
Covina Heights Grove Co., New Packing House....256
Covina Orange Growers Provide Bungalow Court.... 28
Curing of Lemons Discussed Before Lemon Men's Club....355
Cultivation and Irrigation Discussed by Lemon Men....216

D

Damerel, Henry, Citrus Orchard Economy, A Large Question....343
Date Palm—Propagation of, Wm. B. Parker.... 36
Daylight Fumigation, R. S. Woglum....118
Decay, Blue Mold, Care in Transit, H. J. Ramsey....170
Decay in Citrus Fruits During Transportation, O. F. Burger.... 88
Dennis, John A., Co-operative Use of Tractors on Small Citrus Holdings....235
Deputy Director Tells What Freight Rate Amounts to Per Acre....310
Direct Radiation in Frost Protection—Prof. Vaile on.... 87
District Exchange for Whittier....357
Divining Rod, J. E. White.... 56
Dreher, P. J., Honored at Dinner.... 95
Dry Juice is Foe to Scurvy....178
Dunbar, Horace, Sand or Soap, Which?..390

E

Eaton, Frank M., Irrigation in Chula Vista District.... 58
Economic Importance of Bud Selection in Agriculture....385
Effect of Season on Regeneration of Sour Orange Roots, F. F. Halma....273
El Cajon Orchard Producing 15 Boxes of Navels Per Tree....182
Eleventh National Orange Show....158
Employes, Attractive Houses for, G. B. Hodgkin....248
Homes, San Dimas Ass'n Builds.... 79
Housing of by Covina Orange Growers 28
Library for, G. B. Hodgkin....265
Entries Being Rapidly Made for San Fernando Fair....361
Eustace, H. J., Advertising as Stimulus in Marketing California Fruits.... 86
Experimental Work in Tulare County Proceeding Satisfactorily....256

F

Fair and Tractor Demonstration, San Fernando....318
Farm Machinery Price Cut....291
Farrand, Geo. E., Sketch of.... 53
Favors State Laws to Check Sale of Lemon Juice Substitutes....143
Fawcett, H. S., W. T. Horne and A. F. Camp, Citrus Blast and Black Pit....234
Feature Exhibits at Orange Show Unique and Artistic....167
Fertilizer on Chase Orchards, Chopped Alfalfa as, George Rix....407
Fertilizer—Marine Shells Used....169
Necessity for, Horace Dunbar....390
Organic, Supply of, A. E. Barnes.... 94
Fesler, Martin, Sketch of....317
Field Demonstrations Cover Many Subjects....246
Field Manager Ramsey on Spraying for Brown Rot....104
Fighting Flies....291
Fillmore District Makes Showing of Citrus Fruits....292
Fitzpatrick, Sir Percy, South African's Views on Citrus Methods Used in California....46, 78
Fleet, W. H., Tractor Power vs. Horse Power in Large Citrus Holdings....323
Fletcher, L. J., Tractor in California....212
Does It Pay to Use Tractors?....382
Florida, Insect Pests of Avocado, G. F. Moznette....152
Foreign Markets on Pacific Surveyed, S. J. Arundel.... 5
Former Citrus Man Made Manager of Alfalfa Growers....187
Foothill Groves, Inc., Adding to Its Packing House....156
Francisco, Don, Increasing the Consumption of Citrus Fruits....208
Francisco, Don, Sketch of....241
Freight Rates, Relation to Acre Cost, C. C. Teague....342
Relation to Cost Per Acre....310
Frost Protection, Direct Radiation, R. S. Vaile.... 87
Discussed.... 92
Smoke Cover, F. D. Young.... 6
Fruit Growing Acreage in Los Angeles County....398
Growers and Farmers Convention Session at Fresno.... 54
Injury, Best Picking Methods....310
Show Given by University of Calif.... 93
Fumigation Co., Growers, Treats Trees....257
Daylight, R. S. Woglum....118
Developments with Gas Tight Covers, H. J. Quayle....275
by Gas, Cyanofumer or Pots, R. S. Woglum....350
Gas Tight Covers, H. J. Quayle and Hugh Knight....196
Gas Tight Covers, Development in, H. J. Quayle....275
Gas Tight Tents....187
School....319, 340
How Applied in 1891....214
Versus Spraying, J. A. Prizer....233
Wind as a Factor, M. B. Rounds....124
Fundamental Principles of Co-operation in Agriculture (Extracts from Bulletin), G. Harold Powell.... 47
Furrow System of Applying Manure, Notes on, A. C. Barnes....405
Furrowing Tool Used at Limoneira.... 77

G

Gain in Members and Loss Decay Shown in Report.... 87
Gas Tight Fumigation Covers—Use of, H. J. Quayle and Hugh Knight....196
Recent Development in, H. J. Quayle....275
Gas Tight Tents for Fumigation....187
Getting Rid of the Argentine Ant....154
Girdling Avocado Trees, J. E. Coit....416
Golden Fruit in All Its Glory at the Eleventh National Orange Show....158
Gophered Trees, Saving of, R. W. Hodgson....352
Gordon Grove, Increasing Production of..275
Grapefruit, Coachella Valley, A. D. Shamel....242
Griffith, C. A., Comparative Cost of Tractor and Team Orchard Work....210
Sketch of....117
Grinds Alfalfa for Use of Fertilizer....227
Growers' Contract Upheld by Court.... 61
Growers Fumigation Co. Treats 451,121 Trees Last Year....257
Growing Interest in and Importance of Orange Show and Institute, Homer D. King....128
Growing the New Black Scale Parasite, H. M. Armitage....143

H

Halma, F. F., Effect of Season on Regeneration of Sour Orange Roots....273
Hauling Fruit by Motor Truck Saves Growers Money, G. W. Sandilands....111
Hearing on Lemon Tariff at Washington..140
Henry, Everett W., Performance of Top Worked Lemon Orchards....198
Hodgkin, G. B., Attractive Houses for Employees....248
Making the Labor Camp Pay....354
Reducing Labor Costs; What It Really Means....384
Hodgson, Robt. W., Pruning Mature Orange Trees.... 24
Saving the Gophered Tree....352
Hogan, C. C., Citrus Growers Income Tax for 1920....108
Horticultural Commissioners See Black Scale Parasite at Work.... 87
Horse Power More Costly Than Tractors..392
Horses vs. Tractors, W. H. Fleet....223
Horses vs. Tractors, C. A. Griffith....310
Houses for Employees, Attractive, G. B. Hodgkin....248
Hutchins, E. B., Nearly Ten Million Dollar Business Done by Fruit Growers Supply Co. Last Year.... 45

I

Income Tax for 1920, Citrus Growers, C. C. Hogan....108
Increasing the Consumption of Citrus Fruits, Don Francisco....208
Increasing Production of Valencais at Gordon Grove, Tulare County....275
Injurious Insects of the Avocado in Florida, G. F. Moznette....152
Irrigation and Cultivation Discussed by Lemon Men....216
Irrigation in Chula Vista District, Frank M. Eaton.... 58
Irrigation Practice During the Fall Months, W. M. Mertz....404
Is Your Thermometer Correct? Dr. Ford A. Carpenter.... 7

J

Jaffa, Prof. M. E., Discusses Advances in Knowledge of Vitamines....404
Join Farm Bureau....187
Jones, Willis S., Water Conservation in Surrounding Valleys.... 4
Judge Shields in Decision Upholds Cooperative System.... 61
Juice, Dry, Foe to Scurvy....179

L

Labor Costs, Reduction of, G. B. Hodgkin....384
La Verne Orange Association Packing House....414
Lemons, Blossom End Decay, Discussed....123
Blossom End Decay of, F. L. Williams..126
Cultivation and Irrigation....216
Curing....355
Curing, Some of the Principal Factors in, A. D. Shamel....375
Duty — Calif. Delegation Asks for Three-cent....290
Growers Needs Set Forth on Float....324
Juice, Manufactured, Outlook for, C. P. Wilson....309
Men's Club Discusses Reduction of Production Costs....247
Elects New Officers....320
Juice Substitutes—Favors State Laws to Check Sale of....143
Packing Ass'n, Information Asked....285
Packing House for Covina Heights Groves, Inc....256
Products Must Have Protective Tariff to Save Industry....232
Trees, Top Working of, E. W. Henry....198
Tariff at Washington—Hearing on....140
Liberating Parasites of Black Scale in Field—Practical Method of, H. M. Armitage....372
Library for Employees, G. B. Hodgkin....265
Liquid Gas, Cyanofumer or Pots, Which Shall It Be? R. S. Woglum....350
Live Practical Subjects for Discussion at Citrus Institute....164
Lemon Prices Low, Heavy Crop, Give Shippers Concern.... 77
Lundemo, John R., Value of Effective Windbreak to Citrus Orchard.... 76
Lyon, Eldridge M., Sketch of....149

M

Making the Labor Camp Pay, George B. Hodgkin....354
Manager H. B. Harlow's Report of Year's Operations of "O. K." Exchange.... 40
Manufacture of Citric Acid from Lemons, C. P. Wilson....110
Manufactured Lemon Juice, Outlook for, C. P. Wilson....309
Manure, Furrow System of Applying, A. C. Barnes....405
Marketing Avocados, Ass'n Makes Plans..288, 327
Marketing California Fruits, Advertising as Stimulus, H. J. Eustace.... 86
Markets for American Fruits in China....181
Mertz, W. M., Irrigation Practice During the Fall Months....404
Motor Truck, Hauling of Fruit by, G. W. Sandilands....111
Moznette, G. F., Injurious Insects of the Avocado in Florida....152
Mutual Orange Distributors Managers Hold Conference....257

# THE CALIFORNIA CITROGRAPH—INDEX TO VOL. VI—Continued.

N

National Orange Show—Planning for Biggest and Best ... 87
Nearly Ten Million Dollar Business Done by Fruit Growers Supply Co. Last Year, E. B. Hutchens ... 45
Need of Care to Prevent Blue Mold Decay in Transit, H. J. Ramsey ... 170
Nelson, Robt. E., Obituary ... 327
New Steamship Service to Far East to Carry Pacific Coast Fruits ... 170
News of Interest to Citrus Growers ... 8, 48, 80, 112, 144, 200, 236, 276, 312, 344, 376, 408
New Zealand, Bud Selection in, A. D. Shamel ... 388
No Danger of Acidity from Eating Grapefruit ... 357

O

Observations on Control of Black Scale in Chula Vista, Eugene L. Prizer ... 244
"O. K." Exchange, Report of Operations ... 40
Orange Boxes in Good Order ... 298
Orange Shipments, How Standardization Affects ... 119
Orange Show, Awarded Prizes for Merit of Fruit Displayed at ... 160
Eleventh Annual ... 158
Gate and other Receipts Pass All Records ... 297
and Institute—Growing Interest in and Importance of, Homer D. King ... 128
National ... 158
Prizes Awarded ... 160
Unique and Artistic—Feature Exhibits at ... 167
Valencia ... 284, 311
Orange, Sour Roots, Effect of Season, F. F. Halma ... 273
Orange Trees, Mature, Pruning of, R. W. Hodgson ... 24
Orchard, Citrus, Operation Large Question, Henry Damerel ... 343
Orchard Management Studies in Tulare County. R. S. Vaile and Gordon Surr ... 406
Organic Fertilizers — Probable Future Supply of, A. E. Barnes ... 94
Oroville, Orange Show ... 79
Orval Overall Buys Ohio Lemon Company's Holdings ... 172
Outlet Found for Old Lemon and Orange Trees ... 256
Outlook for Manufactured Lemon Juice, C. P. Wilson ... 309

P

Packing House, La Verne Or. Ass'n ... 414
Panama Canal Shipments ... 302
Paper Wraps Economies ... 92
Parasite, Chalcid Wasp, Used in Australia ... 56
Parasites of Black Scale, Liberation of, H. M. Armitage ... 272
Parasite of Black Scale ... 87, 108, 143, 191, 197, 272, 372
Parasites, Shipment of ... 55
Parker, Wm. B., Propagation of Date Palm ... 36
Pasadena Orange Growers Ass'n Annual Report ... 87
Pediculoides or Eight Legged Louse Old Acquaintance ... 398
Performance of Top Worked Lemon Orchards, Everett W. Henry ... 198
Pest Control Questions of 1921 Before Lemon Club ... 386
Situation—Bettering the Citrus, R. S. Woglum ... 150
Picking, Best Methods ... 310
Picking Inspection Saved Money for This Association ... 367
Planning for Biggest and Best National Orange Show ... 87
Pomelos, Siamese ... 290
Pomona Valley Growers Honor P. J. Dreher at Dinner ... 95
Pomological Club to Celebrate 25th Anniversary ... 259
Popenoe, Wilson's, "Tropical Fruits" ... 65
Powell, G. Harold, Fundamental Principles of Co-operation in Agriculture (Extracts from Bulletin) ... 47
Powell, G. Harold, Sketch of ... 281
Powell, W. R., Sketch of ... 413
Prizer, E. L., Observations on Control of Black Scale in Chula Vista ... 244
Prizer, J. A., Fumigation vs. Spraying ... 233
Prizes Awarded Orange Show ... 160
Probable Future Supply of Organic Fertilizers, A. E. Barnes ... 94
Production Citrus Fruits, Cost of, F. O. Wallschlaeger ... 341
Progress Being Made in Control of Scale by Insect Enemies ... 26
Report on Arlington Grove Experiment, R. S. Vaile ... 44
Propagation of the Date Palm, Wm. B. Parker ... 36
Pruning Mature Orange Trees, Robert W. Hodgson ... 24

Q

Quayle, H. J., and Hugh Knight, Use of Gas Tight Fumigation Covers ... 196
Recent Developments in Gas Tight Fumigation Covers ... 275

R

Ramsey, H. J., Need of Care to Prevent Blue Mold Decay in Transit ... 170
Urges Precautions Against Brown Rot ... 54
Recent Developments in Gas Tight Fumigation Covers, H. J. Quayle ... 275
Recommends Slitting ... 65
Red Spider—Control of, R. S Woglum ... 273
Daylight Fumigation, R. S. Woglum ... 118
Reducing Labor Costs, What It Really Means, G. B. Hodgkin ... 384
Reduction of Production Costs—Lemon Mens Club Discusses ... 247
Relation of Freight Rates to California's Fruit Production, C. C. Teague ... 342
Rix, George, Chopped Alfalfa as Fertilizer on Chase Orchards ... 407
Rounds, M. B., Wind as a Factor in Fumigation ... 124
Ryan, J. J., Black Scale Conditions in Los Angeles County in 1921 ... 374

S

Sales Contract for Citric Acid and Tariff Discussed (Lemon Mens Club) ... 156
Sandilands, G. W., Hauling Fruit by Motor Truck Saves Growers Money ... 111
Sand or Soap—Which? Horace Dunbar ... 390
San Dimas Orange and Lemon Associations Build 36 Homes ... 79
San Fernando Fair ... 318, 361, 389
Santa Fe Officials and Prest. Teague Discuss Freight Rates ... 404
Satsuma Orange in So. Alabama, A. D. Shamel ... 308
Saving the Gophered Tree, Robert W. Hodgson ... 352
Scale, Biological Control, H. S. Smith ... 108
Biological Control, H. Compere ... 197
Biological Control, H. J. Ryan ... 374
